

STALLION CONTRACT FOR “THE HUNTS MAN”

2004 APHA/PtHA Homozygous Tobiano Black and White Stallion

This certifies the owner of the mare as named below has engaged to the above named stallion for said mare for the 2012 breeding season. It is also further agreed that the following conditions are understood:

1. A non-refundable booking fee of \$250 (included in stud fee) is payable with this contract.
2. The remaining \$850.00 breeding fee plus , veterinarian expenses for the collection, and other expenses will be paid before the semen is shipped or the mare is live covered . It is understood and agreed that if the mare has been bred, regardless of whether pronounced in foal or not, the breeding fee is due and payable.
3. All mares must be in healthy and sound breeding condition.
4. The mare owner will not be held responsible for any accident, injury or death to the stallion.
5. The stallion owners will not be held responsible for any accident, injury or death to any mares and/or foals.
6. Colored foal guaranteed or breed back. If the foal is not colored notice must be accompanied by a statement from a licensed veterinarian.
7. A live foal from this mating is guaranteed. If the foal dies within the first month of foaling you can breed your mare back with no other stallion cost owner of mare will just pay the collection costs and veterinarian costs. This notice must be accompanied by a statement from a licensed veterinarian.
8. If said stallion should die, or become unfit for service, this contract shall become null and void, and any fees paid in advance will be returned.
9. Registration of the colt that comes from this breeding is the responsibility of the mare owner.
10. Stallion owners are hereby authorized to have a veterinarian and/or employee check, examine, treat and inseminate said mare for breeding. Such services will be completed as deemed necessary at the expense of the mare owner.
11. All Shipping fees are also expenses of the mare owner.
12. Breeding season starts in March 1st 2011. Breeding season ends July 1st, 2011. No breeding will occur after that date unless previously agreed upon with Canoa Farms.
